

## *Avaya Flare® Communicator for iPad Introductory Offer Sheet Version 1.0 dated January 16, 2012*

### **AVAYA FLARE FOR IPAD INTRODUCTORY OFFER**

The Introductory Offer for Flare Communicator for iPad provides the first 50 client access licenses into the Avaya Aura Session Manager and first year Support Advantage “Essential” maintenance for the 50 software licenses PER CUSTOMER at no cost.

Software maintenance after the first year is chargeable upon renewal. Upon renewal all pricing and current Support Advantage rules will apply. This promotional offer provides customers an attractive incentive to start using Flare on iPad.

An additional purchase option is available for the initial 50 Flare Communicator for iPad connection licenses. The initial 50 Flare Communicator for iPad software connection and Support Advantage maintenance licenses are bundled as an entitlement of the Avaya Aura Enterprise Core Edition new or upgrade purchase (EMEA only). The Introductory offer expires on April 30, 2012.

### ***Eligibility***

The Introductory Offer is for Existing Avaya Aura Enterprise Edition 6.1 or later or Avaya Aura Standard Edition 6.1 or later with Session Manager 6.1 or later. For new or upgrades orders to Aura Enterprise Edition 6.1 or later or Avaya Aura Standard Edition 6.1 or later with Session Manager 6.1 or later once they are completed the form can be utilized to request the first 50 Free Flare Communicator for iPad connection licenses.
